APPLICANT'S ACKNOWLEDGEMENT

I understand that the only way to reserve a test slot is to submit a test application with the appropriate fee. Test slots are assigned in the order in which applications are received. No refunds will be issued. Fee credits are given to skaters only if the test application is withdrawn ten (10) days prior to the scheduled test date. If the application is withdrawn, the skater must reapply for another test and meet that test application deadline. I have read and understand these test application rules. Parent must sign if skater is under 18.
